

REWIRE YOUR MIND TO SUCCESS

A Practical Neuro Linguistics Programming (NLP) Workshop

Workshop Highlights

- 1 Identify & Release:** Pinpoint the specific thought patterns that no longer serve you and learn the "weeding" process.
- 2 The Language of the Mind :** Master the basics of Neuro-Linguistic Programming to speak directly to your subconscious.
- 3 Habit Replacement :** Practical tools to instantly replace old, limiting habits with new, empowering thoughts.
- 4 Planting Success :** Treat your mind like a garden; learn to plant and nurture the "seeds" of future achievement.
